

6 December 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 6 December 1967

DD/I provided background information on the Citizens Exchange Corps.

DD/I reported that the ROLLING THUNDER Program Assessment No. 6 should be ready today for the Director's attention.

DD/I called attention to the problem in connection with the DIA/CIA Joint Bombing Survey. The Director requested that the DD/I take steps either to ensure effective CIA participation in the Survey or to end the exercise altogether.

25X

DD/I reported on a mathematical model for intelligence warning, which may provide useful guidelines for testing the judgments and hypotheses of intelligence analysts.

Godfrey reported that nothing has developed on yesterday's rumor of a shake-up in the Soviet leadership and that this rumor appears to be a rehash of an older one.

Godfrey drew attention to the unprecedented Cambodian shallow air intrusions along the South Vietnamese western border. (See Action 1)

ADD/S reported that State's automated terminal system is back in service.

Carver commented that there is nothing of significance to the Newsweek Periscope item on the purported new peace plan from Hanoi.

Carver reported that Paul Warnke has requested a paper on Soviet and Chinese reactions to possible U. S. military courses of action in Vietnam.

Warner reported on the progress of the so-called high-risk bill.

Houston commented briefly on his meeting yesterday with Assistant Attorney General Roger Wilkins.

Bross observed that there are no surprises on the agenda for the 11-12 December PFIAB meeting.

DD/S&T drew attention to the Newsweek item on the 22 November Soviet space failure.

X1

Executive Director reported that, thanks to the helpful DD/S presentation, a compromise favorable to the Agency has been reached with BOB on CIA's request for an increase in supergrades.

Executive Director drew attention to the Navy's invitation to increase CIA enrollment in the Naval War College from one to four people for the next school year only. The Director requested that two of the four openings be utilized.

The Director asked that letters prepared for his signature and destined for outside the Agency be carefully screened by the Deputies to ensure appropriate format and substance.

The Director extended his compliments to the DD/I and Godfrey for the consistently effective performance of the Operations Center and also the CSDO.
